

AKSHYAT MANANDHAR

Software Developer

manandharakshyat@gmail.com | 9808266816 | Balkhu, Kathmandu

PROFESSIONAL SUMMARY

Results-driven, Software Developer with 1+ years of experience in Golang programming while designing, developing, and maintaining scalable, high-performance applications. I aim to contribute to innovative software solutions—ranging from web to mobile platforms—by applying strong problem-solving skills, object-oriented design principles, and an eagerness to learn new technologies within the Go ecosystem.
